Report Details:	I have to report that in the 44th minute of this game, the above-named player, Jermaine Campbell (shirt no. 10, Stourbridge FC), approached me at a stoppage in play and informed me that a spectator in the home enclosure adjacent to the technical areas had directed a racially abusive remark towards him. Campbell stated the remark was made at approximately the 41st minute when he was in possession near the touchline. I immediately halted play and spoke to both captains, Kyle Marsh (home, shirt no. 4) and Campbell. I then addressed the home club steward and requested the individual be identified and removed. I made a public address to spectators via the stadium tannoy, warning that further discriminatory behaviour would result in the match being abandoned under FA protocol. The individual was removed from the enclosure by club officials. I consulted with Campbell again, who confirmed he was willing to continue. Play resumed after a delay of approximately nine minutes. No further discriminatory incidents came to my attention during the remainder of the match. A full written report has been submitted to the West Midlands County FA. Final score: Halesowen Town FC 1-1 Stourbridge FC.
