Report Details

Club:	Home Team
Report Details:	I have to report an incident involving a team official that occurred immediately following the final whistle of this game. As players were leaving the field of play, my assistant referee Mr Daniel Cross informed me that the home team manager, Alan Price, had approached him near the halfway line and said 'you're a bloody cheat, you cost us that game.' Mr Cross confirmed he heard these words clearly and that Price was approximately one metre from him at the time. I approached Price and asked for his name. Price repeated to me, 'your assistant has cheated us, I want his details.' I informed Price that I was reporting this matter to the County Football Association and that he should raise any formal grievance through the appropriate channels. Price then walked away towards the home dressing rooms without further incident. As the final whistle had already been blown I was unable to issue a card; however, this incident is reported under Law 5 for the consideration of the Essex County FA. I have obtained a written statement from Mr Cross in support of this report. Final score: FC Clacton 2-2 Haverhill Rovers FC.
