Report Details:	I have to report an incident involving a spectator that occurred in the 67th minute of this game. Whilst my assistant referee Mr Simon Hartley was positioned on the far touchline, a spectator in the home enclosure directly behind him threw a plastic drinks cup which struck Mr Hartley on the right shoulder. Mr Hartley immediately drew this to my attention by raising his flag. I halted play and approached the touchline. Mr Hartley confirmed what had occurred and indicated the approximate location of the individual within the stand. I informed the home club steward on duty and requested the individual be identified and removed. After a delay of approximately six minutes, club officials confirmed the individual had been escorted from the ground. I addressed both captains, Danny Walsh (home, shirt no. 4) and Nathan Greaves (away, shirt no. 6), and informed them that any further missile throwing from spectators would result in the match being abandoned. Play resumed and no further incidents of this nature occurred. Mr Hartley confirmed he was uninjured and willing to continue. This matter has been reported to the Lancashire County FA. Final score: Bamber Bridge FC 0-0 Clitheroe FC.
