Report Details

Club:	Away Team
Report Details:	I have to report a serious injury to an away team player that required the match to be temporarily suspended. In the 51st minute, the above-named player, Marcus Ellison (shirt no. 3, Cinderford Town AFC), received the ball on the left wing and was challenged fairly by home defender Paul Grant (shirt no. 2). Following the challenge, Ellison remained on the ground and it was apparent he was in considerable pain. I halted play immediately and permitted the away team physiotherapist to enter the field. Ellison received treatment on the pitch for approximately nine minutes. It became clear he was unable to continue and he was substituted. During treatment the physiotherapist indicated the injury may be serious in nature and requested additional time. I consulted with both captains and both managers, all of whom agreed to a short further delay. Ellison was assisted from the field. The match subsequently resumed and concluded without further extraordinary incident. I am reporting this matter in accordance with FA guidelines on serious player injuries sustained during play. Final score: Merthyr Town FC 2-0 Cinderford Town AFC.
