Report Details:	I have to report that in the 29th minute of this game, the above-named player, Jason Reed (shirt no. 8, Shildon AFC), received a second caution in the same match and was consequently dismissed from the field of play. The first caution was issued in the 14th minute for unsporting behaviour (C1), specifically for deliberately handling the ball to prevent an opposing player receiving a pass. The second caution was issued in the 29th minute for dissent by word and action (C2), following the award of a free kick to Bishop Auckland FC. Reed approached me, pointed directly at my face from a distance of approximately 3 metres and stated 'you are giving them everything today, referee.' I clearly heard the words and observed the action. I reminded Reed of his first caution, showed him the yellow card for the second cautionable offence and then immediately showed him the red card, making clear he was dismissed for receiving a second caution in the same match under Law 12 (S7). Reed departed the field without further protest. I restarted play with the original free kick. The remainder of the match concluded without further extraordinary incident. Final score: Shildon AFC 3-3 Bishop Auckland FC.
