Report Details

Club:	Oakridge Town FC
Report Details:	I have to report that in the 37 minute a group of approximately 10 supporters attempted to enter the playing surface near the home technical area. I immediately halted play and instructed both sets of players to retreat to the centre circle. I was positioned near the halfway line and had a clear view of the encroachment. The stewards and the fourth official assisted in containing the issue, but the delay lasted approximately 14 minutes. Because player safety could not be guaranteed, I took the decision to abandon the match in accordance with Law 5.
